Ruri's Mission

by [MiaQc](#)

Summary

A short interactive story/Choose Your Own Adventure. It has 3 endings. I made it with Twine. NSFW!

Ruri has the mission to stop a giant tentacle monster that threatens the city.

- A translation of [La mission de Ruri](#) by [MiaQc](#)

Start.

Erika, a student at an academy for female fighters with psychic powers, alerts her friend Ruri. A giant tentacled monster is threatening the city. Ruri arms herself with her katana and sets off. Ruri has pink hair tied into two pigtails and blue eyes. She and Erika are both 18 years old.

Suddenly, she comes across a woman with long brown hair and red eyes. According to Erika, who's still in contact with Ruri via telepathy, the woman is named Rika and she's 19 years old. A man is leaning over Rika and his dick goes in and out of her asshole. Rika moans and her body shakes with pleasure. The man also squeezes her breasts with his large hands. Ruri's sure that Rika has not given her consent for this.

What does she do?

[She watches him do his thing.](#)

She stops the man.

Ruri yells at the man to let Rika go. The aggressor lets go of his victim and walks towards Ruri. She draws her katana. The man takes fear and runs away.

Rika gets up slowly. Ruri asks her if she's ok.

"What a stupid question! I just got fucked and you're asking me if everything is okay?"

Ruri hears Erika sigh in her head.

"Sorry. I'm on a mission. I have to stop a tentacled monster."

Ruri sheathes her blade. Rika goes to pick up a katana lying on the ground. It's her weapon.

"Wait. Rika, you were armed and that man was able to...?"

"Yes. He surprised me from behind and... do I really need to tell you everything in detail?"

Rika's eyes light up. Ruri apologizes again.

"Well. I'm willing to help you. What's your name?"

"Ruri."

"Okay, Ruri, I'll follow you."

Ruri and Erika continue to move forward and search for the giant monster. They quickly find it. In its tentacles, it is holding and raping a woman wearing a sailor fuku uniform. The woman has long black hair tied in a ponytail. Her eyes, of the same color, glow with rage. She holds a katana in one hand, but the tentacles hold her so tightly that she can't use it. Erika tells Ruri mentally that this woman is Misa, a Blade Templar, a demon hunter. Misa is 20 years old. Erika doesn't understand why Misa is here, as she lives in another city.

"Ruri!" Rika suddenly says. "We have to save her!"

Rika draws her katana. She plans to attack the monster.

What does Ruri do?

She yells to Rika to wait.

She attacks the monster with her.

She watches him do his thing.

Ruri does nothing. Despite the insults hurled by her friend Erika, she watches the man rape Rika.

His dick continues to penetrate the woman's asshole until he ejaculates. Then the man forces Rika to turn towards him. He tackles her to the ground, rips off her panties, and his cock enters her pussy. His large hands, which now hold Rika's arms, caress them. He kisses, sucks Rika's breasts. The woman screams and moans.

Even though it's evil and insane, Ruri feels aroused by his actions. Despite Erika's warnings, Ruri removes her own panties and she uses her hand to wet her pussy's inside. She moans.

The man, hearing Ruri moaning louder and louder, knocks Rika out and he goes to the pink-haired woman. While bringing her love tunnel to cum with his large fingers, he promises her a good time. The man kisses Ruri, makes her body lie on the ground, and he fucks her, dominates her.

Ruri quickly gets caught up in the pleasure. She doesn't hear Erika's voice anymore. Ruri forgets her mission and the tentacle monster is free.

BAD END: Ruri, together with the man

She yells to Rika to wait.

Ruri yells to Rika to wait and it was a fatal mistake. The monster seizes the two women. All their holes are penetrated by the tentacles. Ruri, Rika and even Misa come quickly. Their breasts make milk and the tentacles enjoy it by sucking their nipples. Erika's voice becomes weaker and weaker in Ruri's mind. The pink haired woman quickly gets caught up in the pleasure. She no longer hears her friend's voice. Rika is in the same state. Misa resists longer but she, too, ends up succumbing to the tentacular monster. Ruri has failed her mission. The tentacle monster is free and will soon get Ruri and her friends pregnant.

BAD END: Ruri, Rika and Misa with the tentacles

She attacks the monster with her.

Ruri draws her katana and she attacks the giant monster with Rika. They free Misa.

"T...Than...Thank you, THANK YOU!" Misa says, out of breath from her aggression. "Now..." She points her katana at the monster. "This is the end for you, perverted monstrosity!"

The women trio using katana fight the giant monster. Even if its tentacles manage to touch Ruri's breasts, Rika's clito and Misa's butt, it doesn't stop the women from slaughtering it.

As soon as the monster lies on the ground, lifeless, the women make a high five, happy of their victories. Erika congratulates Ruri by telepathy.

They take time to rest, then they split up. Rika returns to her home, although Ruri doesn't know where it is. Misa returns to her city. Ruri returns to her friend Erika.

GOOD END: Victory against tentacles!
